CHEERVILLE

2025-26 ALL STAR TRYOUT
INFORMATION PACKET

NOW IS THE TIME TO BECOME A VILLAIN!

Take your cheerleading experience to the next level on an All Star Team at CheerVille! We offer a variety of competitive programs to meet your skill level. As our program continues to grow, we look forward to seeing new athletes joining the Villain Family! Our goal is to **build your athlete into a champion at CheerVille** this upcoming season.

Registration for the 2025-2026 All-Star Evaluations is now OPEN! Interested athletes must create an account on our Parent Portal and enroll in the "All-Star Tryout Registration." The registration fee must be paid prior to evaluations, and is non-refundable.

We recommend signing up for our tryout open gyms and tumbling clinics throughout the month of April and May to prepare for evaluations. If your family would like a recommendation on the best path for them during the tryout process, please get in touch with your gym manager. **Good luck this year at tryouts, Villains!**

During the first session of evaluations, all athletes will be evaluated on their **tumbling skills**.

SESSION 2 (Levels 2-6 Only)

During the second session of evaluations, all athletes will be evaluated on their **stunting positions and overall experience level**. At this time, it is possible that your athlete may be asked to attend another level's session, different from their tumbling qualifications. Both stunting ability and tumbling levels will be taken into consideration during the team placement process. **Level 1 athletes will not be required to attend a second session, but may be invited to a higher level stunt evaluation.**
