INVOICE & PAYMENTS

CheerVille requires a card to be on file for auto draft. We will run your payment on the 1st of every month. The only way to opt-out of keeping a valid card on file is to pay your season in full. There is no exception to this rule. You may make your payment prior to the first if you do not wish for your fees to be drafted using the card on file.

You will be emailed a statement on the 25th of each month as a reminder of the fees that will come out on the 1st. If your payment is declined, you will receive an email and/or a phone call. **If your account remains past due by the 5th of the month, you will receive a \$20 late fee and your athlete will be asked to sit out of practices and classes until the balance is paid.** *If you know in advance that a payment may need to be paid a few days late, email Michelle Rogers (mrogers@cheerville.com) so she can note your account.*

Late fees may apply.

Team Registration

Nolensville Nighthawk Team registration is now available online at www.CheerVille.com. Families may register on the Parent Portal under the Nolensville, TN location. Information will be sent out regularly, so make sure your iClass account has “**subscribe to email blasts**” turned on.

Team Practice

Practice will begin in July 2026 – This team will practice once a week for 2 hours. The practice day and time will be available in the coming weeks and emailed out to registered athletes. Athletes will need to wear athletic apparel and tennis shoes for practice training. The season will run from July-February.

Team Tumble Hour

We will be hosting a weekly tumbling hour for the Nolensville Nighthawks. This will begin in May prior to team practices starting in July. The team tumble hour will be an opportunity for athletes to train their skills at CheerVille leading into the season. The cost of this will be \$75/month during May-June. In July, their tumble hour will transition to their 2 hour team practice. Specific practice details will be sent to families.

Attendance Policy

Attendance is very important to each team’s success and we need consistent practices with the entire team to adequately perform our best at events. All practices are mandatory, unless excused with a doctor’s note. In order to be excused from a practice, you must notify your team parent and request permission from your coach in writing via email. **Athletes may not miss any team practices 2 weeks prior to an event.**

Event Schedule

The Nolensville Nighthawks will attend 4 events throughout the season. The full event schedule will be released later this spring with additional program details.

UCA High School Nationals

This team will be eligible to receive a bid to the 2027 National High School Cheerleading Championship. Post-season fees are not included in your monthly tuition. If this team receives a bid, more information will be sent out by CheerVille Management.

Check out our new facility!

With the significant growth of our Nolensville program, we are thrilled to have a new 18,000 sqft space that will allow us to offer a recreational tumble class program, provide additional training opportunities for school teams, and extend our programs further into Williamson County!

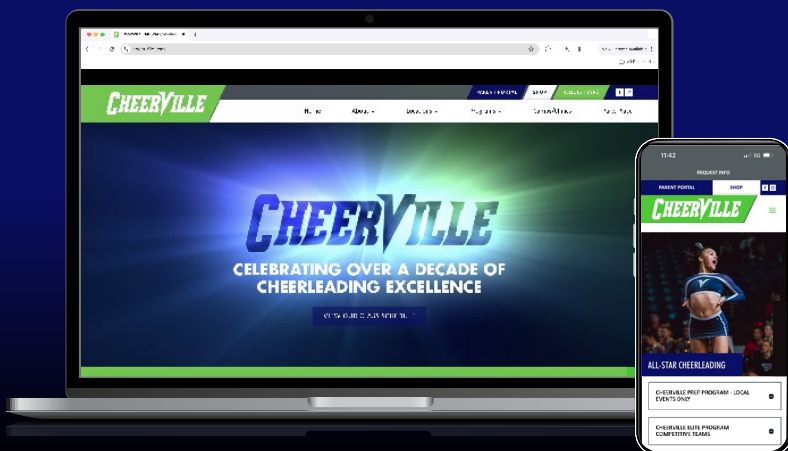

We are officially moved into this new location and welcome new families to schedule a tour to check us out!
